Product Details of 84145064

|                                |                          |
|--------------------------------|--------------------------|
| Part Status:                   | Obsolete                 |
| Type:                          | AC                       |
| Color:                         | -                        |
| Style:                         | DIN Rail Mount           |
| Voltage - Input:               | 95 ~ 121VAC (120VAC Nom) |
| Current - Input:               | 5mA                      |
| Logic Supply Voltage (Output): | -                        |
| Logic Supply Current (Output): | -                        |
| Turn On Time:                  | 8ms                      |
| Turn Off Time:                 | 10ms                     |
| Features:                      | Status LED(s)            |

We can supply Crouzet part# 84145064, use the request quote form to request 84145064 price and lead time. Nantian Electronics - ntchip.com is an independent stocking distributor of electronic components. With 3+ Million line items of available electronic components can ship in short lead-time, over 300 thousand part numbers of electronic components in stock for immediately delivery, which may include part number 84145064. The price and lead time for 84145064 depending on the quantity required, availability and warehouse location. Contact us today and our sales representative will provide you price and delivery on Part# 84145064. We look forward to doing business with you.
