Product Details of CDBM140LR-G

|                                    |                                      |
|------------------------------------|--------------------------------------|
| Series:                            | -                                    |
| Diode Type:                        | Schottky                             |
| Voltage - DC Reverse (Vr) (Max):   | 40V                                  |
| Current - Average Rectified (Io):  | 1A                                   |
| Voltage - Forward (Vf) (Max) @ If: | 450mV @ 1A                           |
| Speed:                             | Fast Recovery =< 500ns, > 200mA (Io) |
| Capacitance @ Vr, F:               | 200pF @ 4V, 1MHz                     |
| Mounting Type:                     | Surface Mount                        |
| Package / Case:                    | SOD-123T                             |
| Supplier Device Package:           | Mini SMA/SOD-123                     |
| Operating Temperature - Junction:  | -50~C ~ 125~C                        |

We can supply Comchip Technology part# CDBM140LR-G, use the request quote form to request CDBM140LR-G price and lead time. Nantian Electronics - ntchip.com is an independent stocking distributor of electronic components. With 3+ Million line items of available electronic components can ship in short lead-time, over 300 thousand part numbers of electronic components in stock for immediately delivery, which may include part number CDBM140LR-G. The price and lead time for CDBM140LR-G depending on the quantity required, availability and warehouse location. Contact us today and our sales representative will provide you price and delivery on Part# CDBM140LR-G. We look forward to doing business with you.
