Product Details of 800-80-028-66-001101

|                       |                                                                           |
|-----------------------|---------------------------------------------------------------------------|
| Series                | 800                                                                       |
| RoHS                  | RoHS                                                                      |
| Style                 | Board to Board                                                            |
| Features              | -                                                                         |
| Shrouding             | Unshrouded                                                                |
| Termination           | Press-Fit, Solder                                                         |
| Contact Type          | Male Pin                                                                  |
| Contact Shape         | Circular                                                                  |
| Mounting Type         | Through Hole                                                              |
| Connector Type        | Header                                                                    |
| Fastening Type        | Push-Pull                                                                 |
| Number of Rows        | 1                                                                         |
| Pitch - Mating        | 0.100" (2.54mm)                                                           |
| Product Status        | Active                                                                    |
| Voltage Rating        | 150VDC                                                                    |
| Contact Material      | Bronze                                                                    |
| Insulation Color      | Black                                                                     |
| Insulation Height     | 0.116" (2.95mm)                                                           |
| Ingress Protection    | -                                                                         |
| Insulation Material   | Polycyclohexylenedimethylene Terephthalate (PCT), Polyester, Glass Filled |
| Number of Positions   | 28                                                                        |
| Row Spacing - Mating  | -                                                                         |
| Contact Finish - Post | Tin                                                                       |
| Contact Length - Post | 0.150" (3.81mm)                                                           |

|                              |                  |
|------------------------------|------------------|
| Current Rating (Amps)        | 3A               |
| Operating Temperature        | -55°C ~ 125°C    |
| Overall Contact Length       | 0.467" (11.85mm) |
| Contact Finish - Mating      | Tin              |
| Contact Length - Mating      | 0.191" (4.85mm)  |
| Number of Positions Loaded   | All              |
| Material Flammability Rating | UL94 V-0         |

We can supply Preci-Dip part# 800-80-028-66-001101, use the request quote form to request 800-80-028-66-001101 price and lead time. Nantian Electronics - ntchip.com is an independent stocking distributor of electronic components. With 3+ Million line items of available electronic components can ship in short lead-time, over 300 thousand part numbers of electronic components in stock for immediately delivery, which may include part number 800-80-028-66-001101. The price and lead time for 800-80-028-66-001101 depending on the quantity required, availability and warehouse location. Contact us today and our sales representative will provide you price and delivery on Part# 800-80-028-66-001101. We look forward to doing business with you.
