Product Details of SIL09E561J

|                          |                                        |
|--------------------------|----------------------------------------|
| Part Status:             | Active                                 |
| Circuit Type:            | Bussed                                 |
| Resistance (Ohms):       | 560                                    |
| Tolerance:               | ±5%                                    |
| Power Per Element:       | 200mW                                  |
| Temperature Coefficient: | ±200ppm/°C                             |
| Operating Temperature:   | -55°C ~ 125°C                          |
| Applications:            | -                                      |
| Mounting Type:           | Through Hole                           |
| Package / Case:          | 9-SIP                                  |
| Supplier Device Package: | -                                      |
| Size / Dimension:        | 0.900" L x 0.098" W (22.86mm x 2.50mm) |
| Height - Seated (Max):   | 0.200" (5.08mm)                        |

We can supply TE Connectivity Passive Product part# SIL09E561J, use the request quote form to request SIL09E561J price and lead time. Nantian Electronics - ntchip.com is an independent stocking distributor of electronic components. With 3+ Million line items of available electronic components can ship in short lead-time, over 300 thousand part numbers of electronic components in stock for immediately delivery, which may include part number SIL09E561J. The price and lead time for SIL09E561J depending on the quantity required, availability and warehouse location. Contact us today and our sales representative will provide you price and delivery on Part# SIL09E561J. We look forward to doing business with you.
