Product Details of MTLW-132-07-L-S-240

Image shown is a representation only.  
Exact specifications should be obtained  
from the product data sheet.

|                       |                              |
|-----------------------|------------------------------|
| Series                | Flex Stack, MTLW             |
| RoHS                  | RoHS                         |
| Style                 | Board to Board or Cable      |
| Features              | -                            |
| Shrouding             | Unshrouded                   |
| Termination           | Solder                       |
| Contact Type          | Male Pin                     |
| Contact Shape         | Square                       |
| Mounting Type         | Through Hole                 |
| Connector Type        | Header                       |
| Fastening Type        | Push-Pull                    |
| Number of Rows        | 1                            |
| Pitch - Mating        | 0.100" (2.54mm)              |
| Product Status        | Active                       |
| Voltage Rating        | -                            |
| Contact Material      | Phosphor Bronze              |
| Insulation Color      | Black                        |
| Insulation Height     | 0.060" (1.52mm)              |
| Ingress Protection    | -                            |
| Insulation Material   | Liquid Crystal Polymer (LCP) |
| Number of Positions   | 32                           |
| Row Spacing - Mating  | -                            |
| Contact Finish - Post | Tin                          |
| Contact Length - Post | 0.130" (3.30mm)              |

|                              |                  |
|------------------------------|------------------|
| Current Rating (Amps)        | 5.2A per Contact |
| Operating Temperature        | -55°C ~ 125°C    |
| Overall Contact Length       | 0.430" (10.92mm) |
| Contact Finish - Mating      | Gold             |
| Contact Length - Mating      | 0.240" (6.10mm)  |
| Number of Positions Loaded   | All              |
| Material Flammability Rating | UL94 V-0         |

|                                   |                  |
|-----------------------------------|------------------|
| Contact Finish Thickness - Mating | 10.0µin (0.25µm) |
|-----------------------------------|------------------|

We can supply Samtec Inc. part# MTLW-132-07-L-S-240, use the request quote form to request MTLW-132-07-L-S-240 price and lead time. Nantian Electronics - ntchip.com is an independent stocking distributor of electronic components. With 3+ Million line items of available electronic components can ship in short lead-time, over 300 thousand part numbers of electronic components in stock for immediately delivery, which may include part number MTLW-132-07-L-S-240. The price and lead time for MTLW-132-07-L-S-240 depending on the quantity required, availability and warehouse location. Contact us today and our sales representative will provide you price and delivery on Part# MTLW-132-07-L-S-240. We look forward to doing business with you.
